

Kleanline® KVC-GE Series

Vertical, Hot Pressure Washers, Oil Fired, Gas Engine Driven
 The Kleanline® KVC Series is designed around three key principles; rugged durability, easy maintenance and safety of operation. Tough brass head industrial pumps and commercial duty engines are bolted down to sturdy steel frames. Our high efficiency, schedule 80 heating coil completely surrounds the burner flame to absorb the most heat and to eliminate combustion chamber burnout. The machine tips back for burner service, the fuel filter is “out there” so you can reach it easily, and the pumping module is on top for easy access. Safety interlocking of the pump and burner switches, along with redundant temperature, pressure and flow controls produces one of the most inherently safe machines on the market today. These rugged performers are compact, highly maneuverable and built “bulldozer tough”. Rated best value for your dollar, choose the model which is right for your cleaning needs.

Model	PSI	GPM	Engine	H.P.	Dimensions (Inches)	Weight
KVC1502GE	1500	2.0	Recoil Robin *	6 HP	32 L x 27 W x 36 H	350 lbs.
KVC1103GE	1050	2.8	Recoil Robin *	6 HP	32 L x 27 W x 36 H	350 lbs.
KVC2002GE	2000	2.0	Recoil Robin *	6 HP	32 L x 27 W x 36 H	350 lbs.
KVC2004GE	2000	4.0	Recoil Honda	8 HP	32 L x 27 W x 36 H	390 lbs.
KVC3004GE	3000	4.0	Electric Honda	11 HP	32 L x 27 W x 36 H	425 lbs.

* Honda Available

Standard On All Models:

- ◆ Oil Fired, 12 VDC Burner with Auto Ignition Control
- ◆ .840" O.D., Schedule 80 Heating Coil for Long Life
- ◆ Insulated, Vertical, 100% Water Wall Firing Chamber
- ◆ Triplex, Ceramic Plunger, Oil Bath Pump
- ◆ Slow Pump Speed Extends Pump Life
- ◆ Commercial Series Engines Are Built To Last
- ◆ Low Oil Cut Out Switch Protects Engine Operation
- ◆ Watertite Control Box with H.D. Interlocked Switches
- ◆ Durable Brass Pressure Unloader Valve
- ◆ Temperature Relief Valve, Pressure Relief Valve
- ◆ Temperature Limit Switch, Pressure Limit Switch
- ◆ Upstream Metered Chemical Injection
- ◆ Rust Proof 9 Gal. Fuel Tank, Oversize Filter System
- ◆ Easy Maneuverability on Four 12" Pneumatic Wheels
- ◆ Rugged Construction, Designed for Easy Maintenance
- ◆ 3/8" x 50' Steel Wire Wash Hose, Insul. Trigger Gun

Options Available:

- ◆ Honda Engines Available For All Models
- ◆ Hour Service Meter
- ◆ Variable Temperature Control
- ◆ Stationary and Trailer Mounted Designs
- ◆ Propane Engine and Burner
- ◆ Stainless Steel Coil Wrap
- ◆ Heavy Duty Wrap Around Roll Cage
- ◆ One Gallon Chemical Holder
- ◆ 360 Deg. Swivel Hose Reel with Quick Coupler
- ◆ Steam Combination Feature

Custom Designs: Call For Any Application From 0-200 GPM and From 0-6000 PSI, Hot or Cold
